

Vicksburg Middle School Athletics

All athletes are required by the Michigan High School Athletic Association (MHSAA) to have a valid sports physical along with emergency information on file in the school before they are allowed to tryout or participate in an interscholastic sport. A current-year physical is one given on or after April 15 of the previous school year.

Vicksburg Middle School offers several athletic opportunities to our students. District Supported Sports have no participation fee. Club sponsored sports require that students pay a fee to participate.

The following are District Supported Sports and the approximate dates the sport events start and finish. Please visit the Weekly Events page as the start date approaches to find the exact start date.
